Principal's foreword

Introduction

During 2014, Port Curtis Road State School built upon the successes of past years, and the strong community links were further enhanced through the following highlights of the year:

A continuation of focus on success, for our students through the provision of a range of programs and activities such as sporting opportunities, Student Leadership and Values Education events.

A well supported weekly community playgroup offers social interaction for many rural families and is involved in many school events.

The contributions from students, parents and staff supporting school activities and initiatives are positively acknowledged in the successes experienced by Port Curtis Road State School in 2014.

We all have a great deal of pride in our school and get many positive comments about our clean school grounds, dedicated staff and supportive parent group.

For those who do not have internet access, copies of the report can be accessed on request through the school office.

School progress towards its goals in 2014

Core priorities	Progress toward completion
Core Priority – Reading (Will continue to implement during 2015)	<ul style="list-style-type: none"> • Developed a Reading Framework - completed • Explicit teaching is an important part of our reading program but it is also integrated within our daily lessons. • Revise existing internal monitoring program for reading. • Continue to Implement 5 week cycles of Improvement – using data to inform planning and differentiation. • Establish and reviewed individual learning goals which informed our teaching and learning. Teaching strategies were developed for each child. • Employ indigenous teacher aide 5 hours a week to provide cultural and academic support and indigenous perspectives. • Staff attended Professional Development to improve reading comprehension

	<ul style="list-style-type: none"> • Expertise in the teaching of reading across the school and good practice with teaching and non – teaching staff. • Re-structure and timetable Literacy Blocks across the school • What does reading look and sound like in the classroom? • Visual tracking of students' progress. • Implementation of ICT's into teaching and learning especially in the area of reading, using digital technologies to stimulate or motivate the children. This will ensure children are reading at their age level but it will also challenge them.
Core Priority - Writing	<ul style="list-style-type: none"> • Staff attended 7 Steps to Writing Success • Develop a writing program – we are still working on this. • Introduce the writing hour across all year levels • Writing is incorporated in the literacy block every day • Exemplar writing samples are displayed for students and staff • Students receive
Behaviour Management (continue in 2015)	<ul style="list-style-type: none"> • Review & update Responsible Behaviour Plan – completed • Staff attended Essential Skills Program – completed • Behaviour Team supported students when necessary
Implement a Pedagogical Framework (Completed in 2014 Implement in 2015)	<ul style="list-style-type: none"> • Developed a research driven, evidence based pedagogical framework with Explicit Instruction as the core element for the teaching of new work. • Differentiation to engage every child and promote success.
Implement Explicit Improvement Plan (ongoing)	<ul style="list-style-type: none"> • Explicit Instruction is embedded in each classroom. • Explicit Improvement Plan has been completed end of 2013 • Continue to embed Explicit Instruction in every classroom. • Established high expectations for each student • Coaching and Mentoring of staff – Observations and feedback. • Established consistent teaching practices for reading and maths
Improve all students in all 5 strands of Naplan (Completed in 2014 Continue to work on this area during 2015)	<ul style="list-style-type: none"> • Undertook Naplan Practise Testing to inform teaching and learning. • Individual learning goals were developed for individual students • Employed teaching staff to work with identified students to improve outcomes • Employed a teacher to develop and implement programs for students who were identified as not meeting NMS in Naplan. • Individual Learning Guarantee

Future outlook

The following are the Core Priorities identified for 2015:

- Greater Results Guarantee
- Core Priority – Development of Successful Learners
- Core Priority – Improve student outcomes in Naplan in all 5 strands (focus on numeracy and writing)
- Core Priority – Attendance
- Core Priority – Australian Curriculum (English, Maths, Science, History, Geography, Civics and Citizenship)
- Behaviour Management
(We are committed to promoting a culture of learning.)
- Foster Student Learning and Wellbeing
- Closing the Gap
- Use school performance data frequently to inform, monitor and review classroom teaching practices and contribute to whole school strategies.
- High quality teaching practices
(Focus on high quality teaching practices, characterised by high expectations of all students deep knowledge of learning areas and pedagogical practices targeted teaching in response to students' specific needs and context a safe, supportive, inclusive and disciplined learning environment)

Our Greater Results Guarantee states:

- Ensure every student accessing a different year level curriculum (that is, with an individual curriculum plan) will achieve a 'C' standard or better against the relevant year-level achievement standard.
- Guarantee 30% of year 5 students will achieve in the Upper Two Bands for reading and 10% for spelling and writing
- Guarantee 40% of year 3 students in 2015, will achieve at or above National Minimum Standard in reading and numeracy in May 2015 during the National NAPLAN testing.
- Guarantee students on Individual Learning Guarantees are achieving 100% of their goals by the end of 2014.
- Guarantee 30% of year 5 students will achieve in the Upper Two Bands for reading.

Individual Learning Plans will be developed for all students at risk of not meeting the National Minimum Standards in Literacy and Numeracy will be developed and implemented.

An extra teacher is employed one day a week to provide extra support for identified students.

Our school at a glance

School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2014: Prep Year - Year 6

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2012	66	23	43	86%
2013	58	21	37	84%
2014	60	26	34	98%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

We are located on the outskirts of Rockhampton and our student population is geographically diverse with families from both northside, southside and out of town areas. This diversity of rural and regional Rockhampton has made our school rich in valuing partnerships. Our school has three multi-aged classes. A large percentage of our students travel past other schools to attend Port Curtis Road State School.

Average class sizes

Phase	Average Class Size		
	2012	2013	2014
Prep – Year 3	22	18	19
Year 4 – Year 7 Primary	14	22	19
Year 7 Secondary – Year 10			
Year 11 – Year 12			

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2012	2013	2014*
Short Suspensions - 1 to 5 days	19	3	8
Long Suspensions - 6 to 20 days	0	0	0
Exclusions [#]	0	0	0
Cancellations of Enrolment	0	0	0

[#] Exclusion is an abbreviated title which reflects suspensions with recommendations for exclusion, which may result in an exclusion or be set aside through an appeals process.

* Caution should be used when comparing 2014 data with previous years SDA data as amendments to the disciplinary provisions in the Education (General Provisions) Act 2006, passed in late 2013, created a time series break.

Curriculum offerings

Our distinctive curriculum offerings:

Students are provided with the necessary skills to become successful learners. Every child has the capacity to reach their maximum potential and the following curriculum offerings allow students to experience a wide range of cultural, sporting and academic experiences.

- * Intervention and Extension Programs for identified students. – Gifted and Talented Program
 - * Explicit Teaching of computer skills – each student has an XO laptop and they are used daily..
 - **Multi-Age Philosophy** – This is a well-respected aspect of our teaching and learning organizational strategy that involves grouping children together over a span of age or year levels. This approach allows flexibility in grouping children according to need, ability and interests and recognizes that children learn at different rates and in different ways. Multi-age grouping promotes improved continuity of learning for children and enables positive peer role modelling for children.
 - Weekly library, Music, Lote, Religious and Physical Education lessons.
 - A dedicated weekly Playgroup.
-

Extra curricula activities:

- Interschool sporting fixtures and Sports Development Clinics – football, netball and soccer with other schools in Rockhampton.
 - Intraschool activities to promote team spirit, problem solving and pastoral care amongst students
 - Interschool Athletics – including sports representatives at a District, Regional and State Level.
 - Excursions and annual school camp open to students from Year 5 to Year 6 every 2 years.
 - Cultural performances
 - Community Events – Anzac Day March and Presentation
 - Student Council - Fundraising activities to raise money to support charities eg Shave for a Cure, Daffodil Day, Footy Colours Day and Crazy Hair Day.
 - Guitar Club
 - Student Leaders, Student Council and Sports House Captains
 - High School Transition programs
-

How Information and Communication Technologies are used to assist learning

Our vision is to achieve the best possible educational outcomes for every student at Port Curtis Road State School by enabling improved learning through the integration of Information Communication Technologies (ICT's) into the curriculum and by providing support structures to ensure that the equipment is well maintained and teachers are supported in using ICTs in classrooms.

Computers and other Information Communication Technologies are viewed as valuable tools that engender interest, enthusiasm, and a willingness to explore new ways of learning as well as giving students valuable skills and knowledge necessary to be involved in our technologically connected world.

ICTs are used in many interesting and exciting ways at Port Curtis Road and students may be involved in many of the activities listed below:

- Every child has an XO Laptop and it is used daily
- Ipads/ipods - enhance and support identified students.
- Presentation of assessment items
- Researching a topic of interest using the internet.
- Designing and publishing brochures about a particular topic.
- Developing and presenting a PowerPoint presentation for a variety of purposes.
- Writing using a word processor including editing, proofreading, etc. and publishing their work to share with others.
- Evaluating and deconstructing existing web pages, computer games, writings, advertising, etc. to see how they are put together with a view to improving their own work in these areas.
- Using drawing software to create drawings and illustrations.
- Learning spelling strategies using adventure spelling games.
- Using digital cameras to take photographs, and then downloading and manipulating the digital images.
- Using various digital resources eg Learning Objects to extend their understandings and knowledge

Social Climate

A very positive proactive approach to managing student behaviour has been implemented. At Port Curtis Road our school values are:

Play the Game
Commitment
Respect

A positive, safe and supportive environment is evident and proactive behaviour awards include our 5 tiered award system which acknowledges and celebrates successes with students on gold being rewarded with a mystery tour once a semester. Students on gold and silver at the end of each term are rewarded and each week we promote and reward students for the following:

- Gotha Award – Students caught doing the right thing are rewarded
- Bookwork Awards – Students with excellent presentation skills and bookwork are rewarded
- Principal Award – Students who strive to do their best in all areas

PROACTIVE STRATEGIES PROMOTING POSITIVE SOCIAL OUTCOMES FOR OUR STUDENTS include:

- Open and positive communication between staff, students, parents and the community.
- Visiting Guidance Officer, Behaviour Management Team and Indigenous Community Worker Support Program
- Friendliness and respect of staff and students
- Student Council meetings
- Social skills program offered through Team tournaments or the LINKS program.
- Supervised play
- Peer mediation and peer tutoring
- Buddying between senior and junior classes
- Goal setting by students and teachers
- Rosters; responsibility of students eg Sports Room, Library monitors, lunch time and after school snack stall.

Any issues of bullying are responded to immediately and the strategies are outlined in the school's Responsible Behaviour Plan.

Parent, student and staff satisfaction with the school

Performance measure	2012	2013	2014

their school takes staff opinions seriously (S2076)		100%	100%

Performance measure			
Percentage of school staff who agree [#] that:	2012	2013	2014
their school looks for ways to improve (S2077)		100%	100%
their school is well maintained (S2078)		100%	100%
their school gives them opportunities to do interesting things (S2079)		100%	100%

* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

DW = Data withheld to ensure confidentiality.

Involving parents in their child's education

Port Curtis Road State School has always had a strong sense of community. Parents and caregivers are encouraged to be actively involved with their children's learning and within the school community.

We believe:

- Adults in the wider community have skills and talents which can contribute to and enhance the nature of the learning experiences of children.
- The school should actively seek a positive relationship with each child's family group.
- Children's learning is facilitated when the influences of the home and school are in harmony.
- Parents have a right to know what happens to their children at school.
- Schools have a responsibility to provide opportunities for parents to be informed of school happenings. Below are some of the ways that parents, caregivers, grandparents, aunts, uncles, can be actively involved at Port Curtis Road:
 - Parents and Citizens' Association
 - Participating in Parent Forums
 - School Banking
 - School Working Bees
 - Classroom Volunteers
 - Tuckshop Volunteers
 - Library Helpers and Walk to School Day

Reducing the school's environmental footprint

- Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.
- **Separate Bin System**
- At Port Curtis Road we have initiated a separate bin program which contains three different types of bins: general, compost and recycling.
- **Green Team**
- We also have introduced a Green Team. This team of students makes sure that the right rubbish is going into the right bins. It is their job to empty the recycling and compost bins into the correct areas. They also make sure that our energy, electricity and water is being used responsibly and make announcements to remind everyone.
- **Recycling**
- Each class has their very own paper recycling bin.
- **Food Waste**
- Port Curtis Road has a system of collecting our fruit and vegetable scraps and taken to a farm for supplementary chicken feed.
- **Solar Panels**

- Our school has installed solar panels on the roof of some classrooms. These panels help generate electricity which is used by the school. The solar panels are helping us reduce the amount of electricity we use and reach our target of being more sustainable.
- **Switch off campaign**
- We have a switch off campaign where we turn off any electrical appliances not currently in use. These include lights, air conditioners, computers and monitors. There are signs to remind us around all of our light switches.
- **Teacher Training**
- Our school staff are committed to environmental sustainability Teachers give lessons on how to reuse, reduce, recycle, compost and how to dispose of waste carefully.
- Printer cartridges are recycled through Planet Ark collection points.

Environmental footprint indicators		
Years	Electricity kWh	Water kL
2011-2012	46,342	963
2012-2013	33,712	1,094
2013-2014	30,089	779

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Our staff profile

Staff composition, including Indigenous staff

2014 Workforce Composition	Teaching Staff*	Non-teaching Staff	Indigenous Staff
Headcounts	5	6	0
Full-time equivalents	4	4	0

Qualification of all teachers

Highest level of attainment	Number of Teaching Staff *
Certificate	0

DW = Data withheld to ensure confidentiality.

Student attendance distribution

The proportions of students by attendance range.

*The method for calculating attendance changed in 2013 – care should be taken when comparing data after 2012 to that of previous years.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DETE policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

It is the responsibility of parents and carers to ensure that their children attend school each and every day. Class rolls are marked twice daily (9.15am and 2pm) and the rolls are monitored by Administration staff. Parents are encouraged to notify the school office if their child will be absent from school. This can be done by a phone call or letter. The school monitors student absences, with parents and carers being contacted in the event of regular and/or unexplained absences. If necessary the school may send home a letter detailing parental responsibility for a child's regular attendance at school and request a meeting with parents

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.
