

P & C NEWS

Edition 1—10thFeb2015

Welcome to 2015 at Port Curtis Road State School.

Morning Tea Thursday 12th at 9.30, bring a plate of food. Come and meet parents at the school. Our play-group will also be returning this Thursday so please invite any friends that might be interested in bringing their children.

We have created this newsletter to inform the parents at Port Curtis what the P&C is currently doing. Our **school P&C is very important, as a small school we don't get a lot of funding for the extra things. This is why we have a P&C, to make the difference so our school and our kids can get as much as possible.**

Being on the P&C is not just about fund raising. We are about making improvements to the school, getting to know other parents and the kids love knowing you are actively involved. The more members we have on the committee the easier it is to put more into the school. This year we have big ideas and plans for the school already! New cricket nets, better view of the school from the road with signage, movie nights and so much more. We are also looking into funding for a new playground to replace the wooden forte near the toilet block. Most of our fund raising is going towards this, this year.

Our chocolate drive has begun! Everyone can collect a box of chocolates from the office and begin selling. Easter raffle tickets are now available. The prize: 14 individual vouchers to use at Ashmore Palms on the Gold Coast. Tickets are \$1 each in a pack of 10. This will be drawn on 6th March so there is enough time for arrangements to be made should the winners wish to use over the Easter holidays.

We have our first movie night on Friday 13th Feb starting at 5pm. Tickets are \$10 per child, this includes the two movies: How To Train A Dragon 2 and The Jungle Book, pizza slice, drink, popcorn and icy pole. Extra pizza slices \$1.50. There will be a five minute interval between movies so the kids can have a toilet break, drink ect. Parents are required to sign in their child/ren upon arrival and sign out at pick up.

We are currently doing a PORTY COOK BOOK for the school, if anyone has any recipes please give them to Sally at school or forward them via e-mail to sally_lewer232@hotmail.com with **“your name and PORTY COOK BOOK”** in the subject box. **All recipes needed before March for the book to be created in time for Easter.**

Every morning we have Brekky Club from 8.00am – 9.00am, feel free to put your name down to volunteer for a shift, just see the ladies/gents one morning for details. If you are unable to volunteer, donations are greatly appreciated e.g bread, milk, juice, spreads and cereals.

Fridays are our tuckshop days. We promote healthy eating at Port Curtis Road State School, so our menu **has been selected along the ‘School Canteen Buyers’ Guide guidelines with most foods falling into the GREEN category with the occasional AMBER.** We only do one RED food group day a term and that is the end of term break-up BBQ Brekky. Our green tuck shop order box is up in the office, please remind your **child/ren to place their orders here before the bell on Friday’s.** Again if you would like to be involved, it means only two hours of your Friday morning. The more people that help out in these areas the less work load there is on a small group of people and the volunteers is what keeps tuck shop and breakfast club running.
