

Building the Blocks

Porty Playgroup is building the blocks for the future by providing a stimulating learning environment where children can play and learn together and parents and carers can find mutual friendship and support.

At Porty we strive to support successful transitions and develop lifelong love of learning by making the whole family feel welcomed, safe and confident in their school environment.

Learning Through Play

Playgroup-aged children are going through a stage of rapid brain and skill development, and play is vital to healthy growth.

Port Curtis Road State School

145 Port Curtis Road
Rockhampton Q 4700
Ph: 49223056
Principal: Mrs Julianne Emmert

(opposite Hasting Deering)

Porty Playgroup

Mums, Dads and families who meet together with their babies, toddlers and preschoolers for interaction and fun.

2016 School Calendar

What is a Playgroup?

Learning Through Play

Adults like playgroup because they can:

- Meet other local families and develop new friendships and support networks
- Relax and talk in a friendly environment
- Share experiences and ideas
- Spend quality time with their children.

We are a Sunsmart School so please bring a hat for your child/children and yourself. We are a Smart Choices School so please bring along a healthy snack to share for morning tea time. Proud Portys build the blocks for success so please join us at Porty Playgroup.

Children like playgroup

because they can:

- Participate in and explore new experiences
- Develop Fine and Gross Motor skills
- Develop and increase their social skills
- Learn sharing, co-operation and simple routines
- Interact with other adults and children in a safe environment
- Enjoy learning more about their world

Adults also benefit from playgroup - a time to talk, make friends and share experiences, while children learn and discover through their play experiences.

Playgroup is an informal session where mums, dads, grandparents, caregivers, children and babies meet together in a relaxed and friendly environment.

Porty Playgroup is conducted by Teacher Aides with the assistance of parents and caregivers.

An assortment of activities are organized to cater for the varying needs of all children.

Activities may include:

- *Art and craft activities*
- *Storytime*
- *Imaginative play*
- *Outdoor and free play*
- *Music and games*
